Petitioner,

v.

THE CITY OF CHICAGO and
ILLINOIS ATTORNEY GENERAL,

Respondents.

**On Petition For A Writ Of Certiorari
To The United States Court Of Appeals
For The Seventh Circuit**

PETITION FOR REHEARING

GLORIA J. WORDLAW
2121 East 98th Street
Chicago, Illinois 60617

PETITION FOR REHEARING FROM DENIAL OF PETITION FOR A WRIT OF CERTIORARI

The Petitioner herein respectfully moves this Honorable Court for an order

(1) vacating its denial of petition for writ of certiorari, entered on October 1, 2007, and (2) Please grant the Petition.

(1) We (G. Collins Wordlaw, Ltd.) have requested, again, that both Richard M. Daley, Mayor Of The City Of Chicago, and Governor Blagojevich, The Governor Of Illinois, to paid us (see October 11, 2007 letters to both The Mayor and The Governor). No one has contacted us to make arrangement to paid us!

It appears that both The City Of Chicago and The State Of Illinois are *stalling* for time until the Statute Of Limitation runs out. We are begging this Honorable Court to Please make a favorable decision for this case and Please do not allow The City Of Chicago and The State Of Illinois to let the Statute Of Limitation run Out. The Statute runs out *November 17, 2007* (Lisa M. Magian, Illinois Attorney General used the information in our Proposal without our permission in October 1, 2003 through November 17, 2003).

(2) Both the Federal Court and The Court Of Appeals in the Seventh Circuit had proper Jurisdiction of our case and we were not able to seek justice. Nor, did either court allow us to have a lawyer; our

rights under the Fourteenth Amendment is *still* being vilolated, and the corruption is *still* going on:

(A) It appears that Dan Webb still have me on the computer; each time someone key my name in the computer, the computer will tell the person to do something negative to me.

(B) Alderman Burke, and Dan Webb are *Still* interfering with our mail. They do not always allow me to get the return receipts – green card from the post office.

(C) Alderman Burke and Dan Webb have us (G. Collins Wordlaw, Ltd.) on the Internet selling Greeting Cards. This is not true. We are not selling greeting card and nor, do we have a computer.

(D) Alderman Burke and Dan Webb also, have (G. Collins Wordlaw, Ltd.) listed in Yellow Pages Phone Book doing business selling Stationery Supplies. (see page 1392) This is not true. We never sold stationery Supplies.

Please Note: Alderman Burke and Dan Webb are trying to make it appears that they are not stopping us from working or operate our business.

(E) It appears that Alderman Burke and Dan Webb are *still* communicating with The Lt. Governor Patrick Quinn and a lawyer who is *not* our lawyer in our behalf. We have money for a lawyer.

(F) Alderman Burke and Dan Webb has a Doctor who is helping them. The doctor who is

helping them have been requesting the doctors and pharmacists that I have been going to, to over-charge me for my medicine. Moreover, in May, 2005, a pharmacist gave me some medicine that had poison ingredient in it and it made me very, very sick.

CONCLUSION

For the foregoing reasons, as well as those contained in the petition for writ of certiorari and, the petition for rehearing should be granted. We are begging this Honorable Court to *Please* hear us: we are on bented knees, The City of Chicago and The State Of Illinois are known for letting the Statute Of Limitation run out. The Petitioner respectfully requests this Honorable Court that the petition for rehearing be granted, the petition for writ of certiorari be granted and we are begging this Honorable Court to Please, Please, Please, make a favorable decision for our case. We will not be able to seek justice in The City Of Chicago, and The State Of Illinois. We deserve to be paid and start living a normal life again.

Respectfully Submitted,

Re: G. Collins Wordlaw, Ltd.'s
Payment

Dear Attorney Georges,

The purpose of this letter is to let you know that we (G. Collins Wordlaw, Ltd.) would *still* like to be paid.

We recently saw you on television when you made the statement that: you had *FAITH* that the City Of Chicago, would pay everyone that the City owed money to!

In our June 25, 2007, letter to you and Mayor Daley, we indicated that we would like to be paid at least ten-percent(10%) of what was collected for the City Of Chicago from the Amnesty Program in October and November of 2003; when Lisa M. Madigan used our proposal without our permission. Ten-percent (10%) of what was collected comes to $12,460,000.00 (see 06/25/07 and 09/06/06 letters for more details)

Attorney Georges, it would be deeply appreciated if you would let us know how do we go about getting our

check? Can we pick the check up from your office or, from another office in your building? Alderman Burke and Dan Webb have not allowed me to have a lawyer since 1990. Please contact us by October 15, 2007 to let us know if we will be paid. Also, Attorney Rowells and the Lt. Governor Patrick Quinn are *Not* our lawyers.

Sincerely,

/s/ Gloria J. Wordlaw

Re: G. Collins Wordlaw, Ltd.
Payment

Dear Alderman Burke:

It appears that you and your team of lawyers are *still* meeting with Attorney Rowells and The Lt. Governor Patrick Quinn. *If*, you and your team of lawyers are *still* meeting with Attorney Rowells and Patrick Quinn, please stop doing so.

We have indicated in our recent letters to both Mayor Daley and Governor Blagojevich, that we are requesting at least 10% of what was collected in October and November, 2003 for the City and State Amnesty Program ($532,000,000.00).

Please do not continue to communicate with Attorney Rowells and Patrick Quinn in our behalf, because we *NEVER* had an attorney/client agreement with them; therefore, they are *NOT* entitled to any money

that we will recover from this matter. Do Not Give Them ANY Of Our Money!

Sincerely,

Re: G. Collins Wordlaw, Ltd.'s
Payment

Dear Your Honor:

The purpose of this letter is to let you know that we *still* would like to be compensated for Lisa M. Madigan using the information in our Proposal.

Furthermore, as we stated to you in our June 25, 2007, letter we would like to be paid at least ten-percent (10%) of what was collected for the State of Illinois Amnesty Program in October and November of 2003.(10% of $407,200,000.00 = $40,720,000.00)

Also, it was mentioned in our June 25, 2007 letter how others have been paid when the State used their proposals. The State paid them well, one year the state paid that person $40,000,000. and that person was paid $50,000,000.00 for his proposal for another year and he is the only one who benefited from his proposals. I was qualified to do the job and *everyone* is

benefiting from our proposal. We would like to be paid too.

Your Honor, please have someone to contact us as soon as possible within the next five (5) business days to let us know if you will pay us. Please put this in writing.

Further, we would like to get this matter resolve with you in the State of Illinois. We should not be *forced* to go to another State to seek JUSTICE! Also, we are requesting Mr. Grant's office to get our check for us. (Please see enclosed documents Attorney Rowells and The Lt. Governor Patrick Quinn are *not* our lawyers)

Thank you for taking out the time to read our letters.

Sincerely,

Re: G. Collins Wordlaw, Ltd.
Payment

Dear Your Honor:

The Purpose of this letter is to let you know that we *still* would like to be compensated for Lisa M. Madigan using the information in our proposal without our permission in October and November of 2003.

Your Honor, we would like to get this matter resolve with you (The City) in Chicago. We should not be *forced* to go to another State to seek JUSTICE! Moreover, as we stated to you in our June 25, 2007, letter to you, we would like to be paid at least ten-percent (10%) of what was collected for the City of Chicago from the Amnesty Program in October and November of 2003, comes to $12,460,000.00.

Furthermore, the money from our proposal will continue to generate for the City of Chicago for as long as this City is standing! Your Honor, if you think about it, 12-million-dollars is nothing compared to *all*

of the terrible, humiliating,and degrading thing that Alderman Burke and Dan Webb have done to us over the past years. And what about the *poison pills,* Alderman Burke and Dan Webb requested the Pharmacy to give me.

Your Honor, please have Attorney Georges, to contact us as soon as possible. We are also requesting Mr. Grant's office to get our check for us. So, please let both Mr. Grant and myself (Gloria J. Wordlaw) know when the check is ready.

Please see enclosed letters to Attorney Rowells and Patrick Quinn are *NOT* our lawyers; therefore, they are not entitled to any money that we will recover from this matter.Please do not allow them to make any decisions for us. Your Honor, there is no need for anyone to meet with the City's lawyers in our behalf, it should be clear to you and Attorney Georges, what we are requesting in both letters June 25, 2007 and October 11, 2007.

Again, we would like to get this matter resolve with you (The City) in Chicago. We should not be *forced* to go to another State to seek JUSTICE!

Thank you for taking out the time to read our letters.
